

1300 SERIES

Impeccable clarity meets astounding design, for a speaker that's bound to impress every time. It's a perfect fit for multi-room audio, home theater, and beyond.

- Polypropylene Woofer Forward-set for wide dispersion and punchy bass.
- Adjustable Silk Dome Tweeter Direct sound where you want to create more immersive experiences.
- Ribbed Surround Ensures linear cone movement for tighter bass and less distortion.
- Multiple Grille Options Magnetic, one-step paintable grille keeps the speaker out of sight, available in a variety of design options to fit your installation needs.
