

1700 SERIES

With the Episode Signature 1700 Series, audiophiles will have something new to talk about. Perfect for multi-room audio, home theater, and beyond, the 1700 Series is comprised of the highest-quality materials to ensure durability and incredible sound.

- **Honeycomb Fiberglass Nomex Cone Woofer** – Rigid materials provides low-resonance and cleaner bass.
- **Adjustable Tweeter with Pure Titanium** – Direct sound where you want to create more immersive experiences.
- **Compensation Switches** – Adjust the tweeter or woofer’s output by up to 3dB for perfect, customized sound.
- **Ribbed Surround** – Ensures linear cone movement for tighter bass and less distortion.
- **Multiple Grille Options** – Magnetic, one-step paintable grille keeps the speaker out of sight, available in a variety of design options to fit your installation needs.

Model	Placement	Type	Size	Cutout Dimensions	Finished Dimensions (Size with Grille)
